Analyse 2
Rédaction d'un développement à partir de la citation:
L'ARGENT NE FAIT PAS LE BONHEUR

I. Correction de la seconde dissertation

« La vérité, dit Bobi, le héros de Giono dans *Que ma joie demeure*, c'est que nous avons besoin de joie... Et c'est au fond la seule chose qu'on cherche et pour laquelle on travaille. »
La joie, le bonheur, cet état de plénitude intérieure, particulier à chacun, n'est-ce pas en cela que consiste la quête de l'homme sur terre? Et quelles sont les conditions de ce bonheur? L'argent, disent certains, certes pas, dit le proverbe. Notre civilisation moderne a-t-elle le progrès et le confort prime, elle, la puissance et la richesse matérielle. Celle-ci est-elle seule capable de satisfaire l'homme dans sa recherche du bonheur?

Bien sûr, l'argent est nécessaire à notre développement physique, psychique et intellectuel. Et comment être heureux si l'on est toujours sous-alimenté, si l'on n'a pas de quoi s'acheter le minimum vital, la ration de pain, de viande qui permettent de se sustenter soi, mais aussi les soins? Comment être heureux lorsque l'on voit ses petits malades et moines accablés par la famine, les mouches, la malaria et diverses maladies causées par la pauvreté, l'absence de médicaments et d'hygiène? Comment être heureux lorsque l'on sait qu'il n'y a pas de moyen d'en sortir, qu'on est condamné à la misère car on n'a ni la force physique de raturer, ni les moyens financiers, ni cette instruction qui permettrait de s'organiser?

En effet, le développement de son esprit, de sa pensée, pouvoir jouir du vrai et du beau en toute connaissance et sagesse, n'est-ce pas là une précieuse richesse et un critère de notre bonheur? Or, sans argent, comment se procurer le matériel nécessaire à cette tâche: livres, outils, maîtres... et comment accorder du temps à l'étude s'il faut gagner dès l'âge de 12 ou 14 ans son pain quotidien et celui des siens?

Bien plus, si comme je viens de le montrer, l'argent est nécessaire à notre épanouissement physique et intellectuel, il est aussi une source de libéralisation sociale. « Quand on n'a pas d'argent, on est dans la dépendance de toutes choses et de tout le monde » disait Chateaubriand. Et qui pourrait être heureux en dépendant, corps et âme, d'un patron que l'on redoute, en devant accepter des besoins ingrats, voire même dégradants, en étant perché dans des ghettos, des cités, des classes sociales sans considération de sa dignité d'homme? Et oui, c'est un fait navrant et pourtant bien réel que le respect de l'homme, les égards et la considération que nous avons pour sa personne, soient souvent tributaires de son
