Sample Application for Intern

Dear Mr. Smith,

I am a sophomore at the National Institute of Technology and am very interested in graphic design. My professor, Jane Doe, suggested that I contact you.

BDF has a reputation for excellence, and your commitment to innovative and inspiring print design is near and dear to my heart. I would like to offer my services as an intern. I am a top student in my design program, am maintaining a 4.0 GPA, and have received a merit scholarship every semester since matriculating. Moreover, my current project is about corporate branding, which I know is one of the areas BDF is looking to explore. I am confident that I can be an asset to your team.

I am reachable by phone or email, but I will also follow up with your office next Monday.

Thank you very much for your time.

Sincerely,

Joe Bloggs
