### Utopia Vs. Dystopia Society

**Utopia:** A place that is ideally perfect with perfect laws, customs, and conditions.

#### Characteristics include:

- People have complete freedom
- The government listens to them
- People are happy and content
- People have lots of free time and don't work that much
- Many evils of the world are overcome (disease, crime, etc.)

**Dystopia:** A place that gives the illusion of a perfect society but in reality is oppressive, seeks to control people, and makes them live in fear.

#### Characteristics include:

- People are taught their world is perfect and the truth is concealed from them
- Freedom of thought, speech, and media are limited
- The government orders people around and controls them
- People like happiness or are depressed
- People are usually poor and work all the time
- Citizens conform. Individuality is bad
