Formal Letter to Teacher Sample:

(insert date)

Dear Mr/Mrs/Ms (insert name),

I am writing this letter to you at the end of the school year to show my appreciation for everything you have done the past few academic terms. I have thoroughly enjoyed being a part of your class and I think your work should be acknowledged.

All your classes have been extremely helpful and useful and I feel like I am learning so much thanks to your style of teaching. It is not a common thing to be able to have a teacher like you (enter name), because you manage to interact with us as a class on a different level than most other teachers.

I am really excited to be moving into the next year this September, although I know that you no longer will be teaching me. Your dedication to us as students has not gone unnoticed and I thank you for always putting in that extra effort. I hope that I will still see you around school and that you continue being such a great teacher.

All the best,
